The September yield of the Central mine was 22 tons (shipped this season 127 tons). The Copper Falls produced 24 tons in September, and in the season 243 tons, to October 1. In September the Franklin yielded 94½ tons, the Hancock 5 tons more, the Huron 5 tons barrel work, Isle Royale 85 tons, National 107½, Pewabic 101½, Cliff 100, Quincy 172, Rockland 41½, Superior 3. In the first month to October 1, the Isle Royale has produced 629 tons, against 231 tons same time 1889; the Franklin, in nine months, has yielded 649 tons; the National, in ten months, 789 tons, against 566 tons same time in 1889; the Pewabic, in nine months, 811 tons; the Cliff, in ten
